RED PAW EMERGENCY RELIEF TEAM

is an emergency services organization that works in conjunction with the American Red Cross to provide emergency transport, shelter, and veterinary care to animals involved in residential fires and other disasters. Our mission is to provide relief and recovery for displaced pets and their people 24/7, free of charge, and to ensure that ALL family members are taken care of during, and after, a disaster in their home.

You can help!SM

Sign up to be a foster home for pets in Red Paw care. Respond to disasters. Spread the word with outreach and events teams. Collect donations or raise funds. Visit redpawemergencyreliefteam.org and fill out a volunteer application today!
